

Memorandum of Understanding

Established by the

<<ULYSSES PARTNER DETAILS>> as ULYSSES university partner and

<<FF DETAILS>> as the family firm involved in the project.

By signing this agreement, the parties declare their willingness to cooperate in the field of family firm case study collection activities within the framework of the ULYSSES Erasmus+ project. Under this cooperation, the representatives of the family firm wish to cooperate with the university partner of the ULYSSES project in the following areas (tick as appropriate):

- Contributing to interviews with at least 2 members of the family firm
- Supporting and reviewing the case study compiled by university colleagues on the basis of the interviews
- Online correspondence (in English) with students participating in the ULYSSES international student competition
- Delegate participation in the final of the ULYSSES international online student competition
- Supporting the communication activities of the ULYSSES project, sharing messages

The agreement is done by the parties of their own free will, based on mutual understanding and discussion. Cooperation does not imply any kind of financial commitment for either party.
